

## **Recruiting Vietnamese Participants for SHARP #1 (Seoul Hanoi Artist Residency Plexus #1)**

### **JW Fine Art Intro.**

JW Fine Art tries to expand the base of culture and art via many projects. Through international and cultural exchange, it stimulates domestic art world and promotes Korean artists to the world. JW Fine Art provides creative environment that grows with artists for their prosperity. We will become a new trend in Korean art world and continue to contribute to make healthy Korean Art world.

### **Purpose**

This project aims to provide inspiration to both Korean and Vietnamese artists via international and cultural exchange and to arouse interest in Vietnamese art and culture in Korea through exhibiting collaborative works. Since Koreans are not so familiar with Vietnam's culture and artistic backgrounds, this Residency Project, Sharp #1, will be a great opportunity for both countries' artists to build and strengthen artistic network through understanding each country's nature and in-depth communication.

In doing so, we are currently looking for 3 Vietnamese students and/or artists residing in Korea, who has been interested in culture and art. You will be staying with other 3 Korean students and/or artists for a month in Seoul, and will be creating collaborative artworks that can showcase who you are as Vietnamese.

We will organize an exhibition with your collaborative artworks in Seoul. Due to COVID-19, this project offers not only offline but also online exhibition. Both exhibitions will be open at the end of project, the first week of December, as a final report. Offline exhibition will be held at JW Fine Art Gallery, located in Seoul. Online exhibition will base on Virtual Reality exhibition, in the form of online viewing room.

**Accommodation will be provided to all participants, including daily expenses.**
