

HLB Pharmaceutical

**HLB Pharmaceuticals Co., Ltd.**  
**Recruitment for 2024**

# **Recruitment Notice** **for Indonesian** **National Students**

**We are looking for talents to grow together!**

## About our company

We are a rapidly growing pharmaceutical company that developed 'Quanchel', a specialized brand for joint health functional foods.

HLB Pharmaceuticals is experiencing rapid growth in researching and manufacturing various medications for degenerative brain diseases and joint issues prevalent among Koreans.

Achieved annual sales of 100 billion dollars in 2022!
