<p style="text-align: center;"><Combined Bachelor & Master Program Application Guide></p> <p>1. Combined Bachelor & Master Program is a reservation of graduate school course for undergraduate school students. Graduate School Admissions process(Application, exam, interview, etc.) will be exempted.</p> <p>2. Undergraduate Graduation Thesis paper will be exempted.</p> <p>3-1. Undergraduate Students can acquire 6 credits at maximum by taking common courses for Master and Ph.D. within the range of undergraduate courses credits(9 credits for Professional graduate school) and those credits will be also accepted as major course credits after entering graduate school.(If students choose different major from their undergraduate major, credits will be accepted as selective course credits at their undergraduate school grade report.)</p> <p>3-2. Students can acquire 6 credits at maximum as undergraduate major courses credits by participating in team research projects within the range of undergraduate courses credits and those credits will be also accepted as major course credits after entering graduate school.</p> <p>3-3. Credits acquired by taking common courses for Master and Ph D and credits acquired by participating in team research projects are limited to 6 credits in total. (9 credits for Professional graduate school).</p> <p>4. When students obtain 6 credits during undergraduate program and those credits are double accepted after entering graduate school (9 credits for Professional Graduate School), graduate school courses can be reduced by 1 semester.</p> <p>5. Followings are track types and requirement for course completion and criteria for application.</p> <p style="padding-left: 20px;">(1) Early Graduation Track for Undergraduate Program</p> <p style="padding-left: 40px;">- Requirement for course completion : Early graduation of Bachelor's degree(7semesters)+Early completion of Graduate School</p> <p style="padding-left: 40px;">- Criteria for application : GPA over 3.50 of overall undergraduate grades (grades until 6th semester)</p> <p style="padding-left: 20px;">(2) Regular Graduation Track for Undergraduate Program</p> <p style="padding-left: 40px;">- Requirement for course completion : Regular graduation of Bachelor's degree(8semesters)+Early completion of Graduate School</p> <p style="padding-left: 40px;">- Criteria for application : GPA over 3.0 of overall undergraduate grades(grades until 7th semester)</p> <p>6. Students who abandon the Combined Bachelor & Master Program must pass a graduation dissertation for their undergraduate program, and return the Combined Bachelor & Master Program scholarship to school prior to the end of the semester.</p>
