

GS HOMESHOPPING

GSHS is Korea's foremost multimedia retailer as well as a global leader in TV shopping.

GSHS strives to fulfill its corporate vision of 'Value No. 1 Online Commerce Leader', working tirelessly to create a new quality of life by enabling our customers to shop conveniently whenever and wherever.

Recently, GSHS has been investing \$7M in Vietnamese startups through direct investment and fund.

Now GSHS is trying to create a sustainable ecosystem for innovation and start-ups, including accelerator rather than acting simply as an investor.

As part of this, GSHS is preparing to develop a new co-working space on a global scale and the first location in Vietnam will be Ho Chi Minh City. The new co-working space will be a thriving innovation ecosystem that bridges among start-ups, corporates, accelerators as well as investors not just provide a physical space.

■ What will Interns do at GSHS?

- Liaison to headquarter for all communication throughout the process of setting up the co-working space
- Coordinate with operations on building openings, providing assistance on-site during the transition
- Likewise, working on specific projects such as market research
- Also, support with other tasks as needed

■ Qualification for the Internship

GSHS considers a candidate eligible for the internship if they have:

- Ability to work independently and productively in a fast-paced environment
- Professional attitude and ability to work with remote-based colleagues
- Highly organized with the ability to be flexible, multi-task and detail-oriented
- Proactive, innovative and self-motivated
- Likewise, Fluent in both written and spoken English skills (Korean is a plus)
- Demonstrated computer skills: Proficient in Microsoft Word and Excel, Google G-suite

■ Salary & Work Period: Negotiable

■ How to Apply
